

Dr. Philip Cimo dba Brittmoore Dental Financial Policy

We MUST emphasize that as your dental care provider, our relationship is with you, not with your insurance company. Your insurance policy is a contract between you, your employer (if applicable), and your insurance company. *Verbal communication*, by this office or your insurance company, will not supersede the final amount paid by your insurance.

Please understand that we can provide an insurance estimate to you, however, it is not a guarantee that your insurance will pay exactly as estimated. Your insurance company, and your plan benefits, will determine the amount paid. **If payment is not received, or your claim is denied, you will be responsible for paying the full amount at that time.** If you are paid by the insurance company, instead of our practice, you then become responsible for the total account balance and payment would be expected immediately.

We process In-Network and Out-of-Network claims for all patients. It is the patient's responsibility to be familiar with their personal insurance plan. Monthly statements, with a balance, should be paid within 30 days of receipt.

A portion of your estimated total amount can be collected, in advance, for future services / products. Payment arrangements MUST be made, in writing, when scheduling the appointment.

Thank You!
